EQF Level 5 | 60 ECTS

ACADEMY

ABOUT US

IDEA Academy is a leading further and higher education institution, with its main campus based in the European Union member country of Malta. We offer a broad selection of programmes in a wide variety of fields that focus on emerging technologies, ranging from foundation programmes right up to master's degrees. All our qualifications are recognised internationally.

Our mission is to provide quality, affordable, industry-driven education to adult students. In doing so, we adopt a student-centric, blended approach to learning that equips you with the tools to help you stand out at your workplace.

Diploma in Supply Chain Management & Logistics

COURSE DESCRIPTION

From corporate giants to small businesses, the optimisation of supply chain techniques is a crucial factor in establishing a competitive advantage.

This course focuses on the business skills needed to manage the activities and flows of information between suppliers, manufacturers, logistics service providers, retailers and consumers within today's business environment.

The different modules fall under four overarching categories: Strategic Decisions, Contributors to the Chain, Tools for a Successful SCM and Supporting Stakeholders.

This course aims to equip you with the skills and knowledge relating to all aspects and issues of logistics within a sustainable supply chain. These include operations, purchasing and procurement of materials, inventory flow and control, storage and material handling in warehouses, economics of mode of transport and distribution, and shipment from the start of a product's lifecycle up to its customer receipt.

CAREER PROSPECTS

The possible positions for which this programme aims to prepare you for include, but are not limited to:

- supply chain supervisor/manager
- logistics supervisor/manager

TARGET AUDIENCE

This course is targeted at:

- Individuals seeking academic and professional advancement in the area of Supply Chain Management and Logistics;
- Mid-career break professionals looking for opportunities to return to or change their careers.

STRUCTURE & ASSESSMENT

The programme comprises a total of 10 modules. Methods of assessment depend on the module and can be assessed in various modes.

ENTRY REQUIREMENTS

Candidates who apply for this course must possess the following:

- a qualification at EQF Level 4 (one 'A' Level or equivalent in any subject)

AND

- a pass in English and Mathematics at EQF Level 3 ('O' Level or equivalent)

Preference is given to applicants having a year of work experience related to the field of study.

Students whose first language is not English will be required to demonstrate evidence of an adequate level of English proficiency.

PAYMENT PLANS AND SCHEMES

We offer the possibility for our students to pay in installments or to design a flexible monthly scheme. Refer to uae.ideaeducation.com to know more.
